

Expression of Interest (EOI)

Consultancy Opportunity:

Farmer-led Development and Rice Breeding Consultant

MATI, Bangladesh invites qualified individual consultants or consultancy firms to submit Expressions of Interest (EOI) for providing consultancy services under the "Farmer-led Value Chain Development for Food Security and Livelihood (FLVCD)" project, funded by MISEREOR, Germany.

Assignment Summary:

The selected consultant will provide technical support in Farmer-led Development (FLD), farmer-led rice breeding, participatory seed conservation, farmer cooperative enterprise development, and capacity building of project staff and farming communities in Mymensingh and Sherpur districts.

The consultancy will be implemented over the project period (March 2026 – February 2028) through periodic assignments of up to 15 working days per project year.

Eligibility:

Interested consultants or consultancy firms should have:

- A Master's degree or higher in Agriculture (preferably in Plant Breeding, Genetics or Rice Breeding);
- At least five (5) years of relevant professional experience in farmer-led plant breeding and participatory agricultural development;
- Proven expertise in Farmer-led Development (FLD)/Farmer-led Approaches (FLA), community facilitation and sustainable agriculture.

How to Apply:

Interested applicants are requested to submit:

- Cover Letter;
- Technical Proposal;
- Financial Proposal (excluding VAT and Tax);
- Updated CV(s) with relevant experience and references.

 Please refer to the Terms of Reference (ToR) for detailed information on the scope of work, deliverables, qualifications, evaluation criteria and submission requirements.
